## Masuma Javed

Since completing the course Masuma has decided teaching was the way forward for her. She started her English Entry Level 3 and Level 1, which she passed in July 2015. Masuma has also completed ITQ Level 1 in computers. Masuma then went on to do her Childcare Level 1 which she successfully completed in January 2016.

In September 2015 she started her Cache Level 2 in teaching and learning in schools, requiring great amount of time commitment. She has been attending class, once a week as well as doing a 10 hour work placement in a primary school. She is hoping to pass this in July 2016. Alongside she has also been doing maths GCSE and hopes to sit the exam at the end of the month.

12/01/2017

Masuma has started her Cache Level 3 in September 2016 and also English GCSE.
