

Project Manager

Hi, my name is Donna Barton. I am a mother of three and I have 7 beautiful grandchildren ranging from the ages 3 - 21 years.

I have worked in the community with families for approximately 28 years.

Previous to working with Go-Woman! Alliance I was Deputy Head-Care at a local Children's Centre. (Designated Safeguarding Lead/Family Support Manager).

I am now privileged to be employed as a Project Manager, but like all of GOAL's Team Members I wear many hats.

As a qualified Early Years Practitioner I am currently supporting the facilitation of virtual online Parent and Toddler and Bumps and Bundles sessions. This gives me great pleasure as once again I have the very special opportunity to work with children and their families within the community.

I am also presently part of GOAL's virtual online DOSTI Group where once again I have the privilege of enjoying some social time with our more mature ladies, 'like myself!' sharing stories, crafts and activities from times gone by, to current appropriate topics.
