

REMA BEGUM

TUTOR / FACILITATOR

A bit about me... Hi, I'm Rema and I have been with GOAL for about 5 years now. I am a busy full-time mum of 4 and a housewife.

Being part of GOAL family is an extension of this. Long before any of this, I finished university and went on to work for the DWP and the MOJ.

Although I enjoyed meeting people from all walks of life, I was sat at a desk for most of the time and so it was easy for me to leave when I became a mum.

When my children were all in school, I was ready to go back to work but wanted something a bit more hands on, fulfilling and something that didn't interrupt my family commitments. GOAL ticked all these boxes. I started as a volunteer and in these 5 years, with the qualifications I brought with me and the ones I gained through GOAL I have been able to expand my role.

A bit about my current role... I have had the opportunity to work as a creche worker, a parent and toddler co-ordinator, ESOL classroom facilitator, and with the DOSTI programme. I have been able to do these roles both on-site and online due to COVID-19.

Being with GOAL has given me chance to work and engage with the community that I am proud to be part of. It is an honour to hear life stories of our users and witness their successful journeys while being with GOAL.

This beats a desk job any day!!
