

Yvonne Turner

Hi, I'm Yvonne I am a mother to 2 girls 39 and 26 and a boy 23. I am very lucky to have 3 grandchildren, 2 boys 18 and 5 and a girl 8. My grandchildren are a big part of my life.

I always knew I wanted to work with children from when I was very young. My reception teacher had a huge positive impact on my life and I wanted to try to follow in her footsteps.

I can honestly say I have loved and do love my job.

I have been with GOAL for 2 years and before that worked for Birmingham City Council for 40 years. I worked as a senior nursery practitioner with 0-5 year olds as a key worker and also within family support. My role in family support was vary varied as I led on new birth visits, bumps and babies group, delivering baby massage, promoting healthy eating workshops and running parenting classes for behaviours.

My role at GOAL is in Early Years working in Parent and Toddler and Bumps and Bundles. I really enjoy my role working with children and their families before they move on to nursery.
