

Our statement of general policy is:

- > To provide adequate control of the health and safety risks arising from our work activities;
- > To consult with our volunteers on matters affecting their health and safety;
- > To provide information, instruction and supervision for volunteers;
- To ensure all volunteers are competent to do their tasks, and to give them adequate training;
- > To prevent accidents and cases of work-related ill health;
- > To maintain safe and healthy working conditions; and
- > To review and revise this policy as necessary at regular intervals

# Responsibilities

- 1. Overall and final responsibility for health and safety is that of Yasmin Akhtar and the day-today responsibility for ensuring this policy is put into practice is delegated to Yasmin Akhtar.
- 2. All volunteers have to:
  - > Co-operate with supervisors and trainers on health and safety matters;
  - > Not interfere with anything provided to safeguard their health and safety;
  - > Take reasonable care of their own health and safety; and
  - Report all health and safety concerns to an appropriate person (as detailed in this policy statement).

### Health and safety risks arising from our work activities

- > Risk assessments will be undertaken by Yasmin Akhtar
- > The findings of the risk assessments will be reported to the Yasmin Akhtar
- > Action required to remove / control risks will be approved by the Yasmin Akhtar
- > Yasmin Akhtar will be responsible for ensuring that the required action is implemented
- > Assessments will be reviewed during each training session
- Use of equipment will be explained to all volunteers at the start of the programme (including, adjustable screen on the laptop and safe distance between screen and laptop)
- Laptop's / PC's will not be used for more than three hours at any given time and regular breaks will take place
- Proper care will be enforced for ladies who are pregnant or suffering from any other health issues

# Accidents, first aid and work-related ill health

- > The first aid box is kept in the kitchen.
- All accidents and cases of work-related ill health are to be recorded in the accident book. The book is kept in the main training room.
- > Project staff is responsible for reporting accidents to the enforcing authority.

### Emergency procedures - fire and evacuation

> Project staff will ensure that escape routes are checked during the initial site evaluation.

# Monitoring

- To check the working conditions of each satellite hub and ensure our safe working practices are being followed we will:
  - View and where possible obtain a copy of the centres Health & Safety policy during the initial site evaluation. This will be kept in the satellite centres file.
  - Anything which does not comply with the centres Health & Safety policy will be notified to the centre manager by Project staff. This will be noted and stored in the delivery centres file.
